Thank you for making a reservation to attend Student Orientation, Advising, and Registration (SOAR). Please see the enclosed confirmation letter to ensure that your SOAR session and date are correct. If you need to modify your SOAR reservation, please contact the SOAR office at 608-262-4707 or soar@studentlife.wisc.edu.

**PRE-ARRIVAL**

**Get Ready**
- Complete your scheduled placement tests prior to attending SOAR.
- Review your confirmation email. Make any necessary changes online at least one week prior to your session.
- Pay your SOAR fees. Two weeks before you arrive, you will receive an email with your complete invoice and payment instructions. No fees were collected at the time you made your SOAR reservation.
- Complete the “Preparing for SOAR” module in MyUW prior to your SOAR session.
- Plan to attend all activities during SOAR. If you leave SOAR early, you won’t be able to enroll in courses.
- Get social. Connect with the UW on social media #uwnewstudent.

**Bring with You**
- A government-issued photo ID (passport, driver’s license, or state ID card). You’ll need this to obtain your Wiscard (student ID).
- Know your Net ID and password. (You will need this info to register for classes.)
- A pencil or pen and a notebook to take notes.
- Any academic/scholarship information you have received that relates to your course enrollment.
- Score reports for AP, IB, or other college-level tests and unofficial transcripts of college classes you have participated in.

**What to Wear**
- SOAR programming takes place at several different campus locations; please wear comfortable walking shoes. Summer often means sandals weather, but some of the evening activities (e.g., bowling and rock climbing) require you to wear socks and closed-toed shoes. Plan accordingly if you want to participate in those activities.
- Check the weather forecast before attending: you may want to bring an umbrella or rain jacket. SOAR takes place rain or shine!
- The temperature in campus buildings can vary. We recommend bringing a sweatshirt or light sweater to help keep you comfortable.

**ARRIVAL @ SOAR**

Please note that UW–Madison is a large campus, and it can take more time than you expect to move between program locations and parking. Plan your travel accordingly!

**Where to Park**
- If you requested parking, the gate code and parking instructions are enclosed in this packet.
- If you didn’t reserve a parking space and anticipate needing to park on campus, a list of lots with real-time vacant stall counts can be found at transportation.wisc.edu/parking/lotinfo_occupancy.aspx.
- Parking costs $15 per day.
- For those staying in the residence halls, there is no immediate parking available. For these locations, you will
need to drop off passenger(s) and luggage and continue to parking as directed by SOAR staff. A shuttle is available from 10:30 a.m. to 1:30 p.m. and runs between the SOAR parking lot and SOAR check-in.
